

Spanish For The Elementary Years – (live virtual fun format!)

Get a head start on the language by joining us for an educationally oriented curriculum that is specifically designed for the K-5 student to learn the Spanish language. This unique and exciting program features foundation vocabulary introduced through games, singing and fun activities. Students are able to compound words and begin forming simple sentences. Early introduction increases the student's ability to absorb rather than translate the language. If you have taken a Spanish Club class previously, new vocabulary is introduced with each session. Class is open to new and returning students!

This class will meet in a live virtual fun format!

Class meets on MONDAYS from 4:20p.m. – 5:00p.m.

(Google Meet class link will be emailed prior to the first class).
